UNIFIED CHAMPION SCHOOLS: WHOLE SCHOOL APPROACH

“Past evaluations have found that Whole School Awareness activities of students, and have the most direct impact on students’ perceptions of classroom settings. However, the smaller team- or club-based activities Unified Sports) can provide students with more meaningful social interactions that allow students to personally gain the most from their involvement. These activities have maximum impact on students and schools when activities

Integrating Health and Fitness

- Through the Young Athletes activities, health and fitness can be taught in a fun and engaging environment.
- Introducing children to healthy habits at an early age gives children the best chance to live healthy and successful lives.
- “Healthy Play” incorporates health and fitness lessons into activities found in the Young Athletes Activity Guide.
- Additional Healthy Play ideas can be found in the “Additional Resources” section of the Young Athletes
